

Zoom student account migration

This step-by-step tutorial will show you how to migrate your zoom account (**only applies to you if you have already created an account in Zoom using your school email address**).

1. Open your [school e-mail](#) and look for a Zoom account invitation from Zoom in your email's inbox

2. Open the Zoom Invitation email and locate the “**Approve the Request**” button. Click on the button to approve the request

3. The Zoom invitation is time sensitive. This means you only have certain number of days to approve the request to migrate your account. If the invitation has already expired, skip to step 5. If the invitation is still valid/active, please click on the “**I Acknowledge and Switch**” button.

3

By accepting this invitation, you are switching to a new Zoom account

Before you switch, be aware of the following:

- After you switch, you can still access your own data, such as your meetings and recordings.
- Your role in the new account will be “member”. This role might have fewer privileges than your role in your current account.
- Your new account might not provide access to all of the features you have in your current account.

I Acknowledge and Switch

Sign into Your Current Account

4. After clicking on the “**I Acknowledge and Switch**” button, click on the “**Sign In to Profile Page**” button to confirm account migration.

Made with Zoom

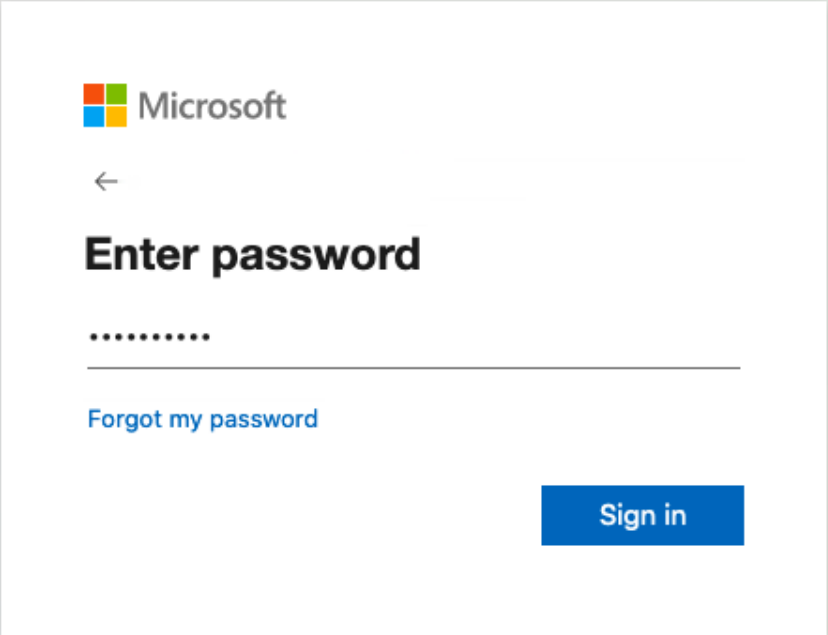

Type your school email address (your student id number@mystisd.net), then click on the “Next” button.

5

The image shows a Microsoft sign-in interface. On the left, a large red number '5' is displayed. The main content area is a white box with a light gray border. At the top left of this box is the Microsoft logo. Below it, the text 'Sign in' is displayed in a bold, black font. Underneath, there is a text input field containing the email address 'studentidnumber@mystisd.net'. Below the input field, there are two links: 'Can't access your account?' and 'Sign-in options', both in blue text. At the bottom right of the white box is a blue button with the word 'Next' in white text.

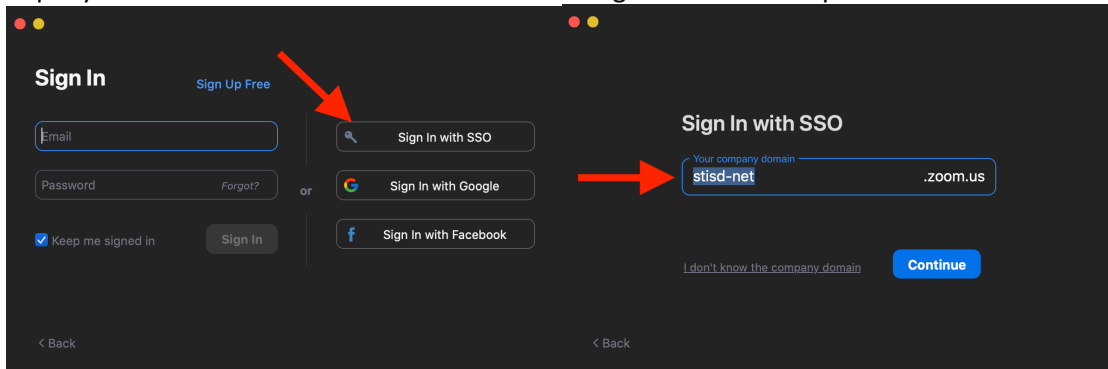

Type in your school email password., then click on the “Sign In” button.

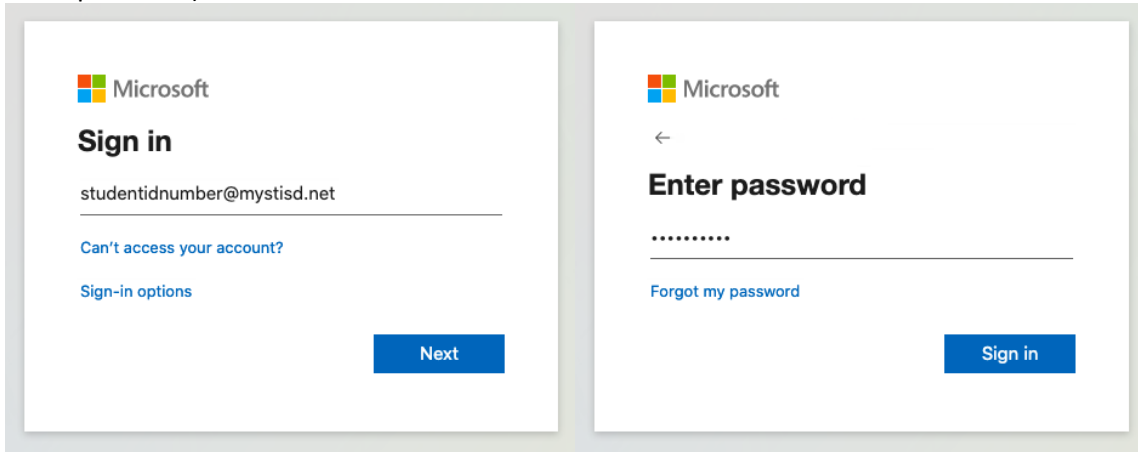

The image shows a Microsoft 'Enter password' screen. At the top left is the Microsoft logo. Below it is a back arrow icon. The text 'Enter password' is displayed in a bold, black font. Underneath, there is a password input field represented by a series of dots. Below the input field, there is a link 'Forgot my password' in blue text. At the bottom right is a blue button with the text 'Sign in' in white.

If using the Zoom App, please follow these steps:

1. Open your Zoom app, click on the “**Sign in with SSO**” button and type in ***stisd-net*** as the company domain. Click on the “**Continue**” button to go to the next step.

2. If prompted to sign in, please type in your Office365 credentials (email address account and email password).

3. After you type in your credentials, you have successfully migrated your account and now you will use your school email address to login to your Zoom sessions.
4. You are now done.
